Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

Gemini on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

Mercury Ruler of 7th

Who you know, your public life, and your image are very important to you. You tend to involve yourself in relationships with authority figures and respected members of the community. This includes business partners as well as lovers. You take marriage, partnerships, and all relationships very seriously.

Sun in 7th House

Everything seems to move through you once you get around other people. You have real communication skills that make you a perfect interface for others -- the negotiator. You value intelligence and articulation, especially in a partner. You are never happier than when you find yourself in meaningful conversation, surrounded by sparkling wit, clever thoughts, and all that is mercurial. You may come to know writers, reporters, announcers, and investigators.

Mercury in 7th House

Without a partner your career may tend to flounder, so it's not likely you will live the single life for long. With you, it's a question of getting in a good relationship and then concentrating on being a success story, and not vice versa. You need a partner that will cheer you on in your work, or at the very least not stand in your way. There is also a tendency to attract people of some stature as friends, with the result that you tend to know the top professionals in your field or social group.

Jupiter in 7th House

Strengths in your relationships

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 00 39')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Trine Saturn (orb: 01 18')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Sextile Mars (orb: 01 55')

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

Sun Trine Uranus (orb: 08 05')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 09 24')

Report for Sample Challenges in your relationships

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Square Sun (orb: 01 12')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Opposition Pluto (orb: 03 08')

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Square Pluto (orb: 04 20')

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

Mars Square Saturn (orb: 07 23')

She has a way with words which you find flattering and interesting, since the subject is often you. She loves to talk to you and may also write you letters. You find her stimulating mentally, and communication is most often smooth.

Your Sun Sextile Her Mercury (orb: 05 36')

Challenges in your relationship with Sample Lover

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

Your Mars Opposition Her Mars (orb: 00 50')

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

Your Venus Square Her Venus (orb: 03 50')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Sample's changes (what she is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Square Her Pluto (orb: 04 20')

Sample may not appreciate the way you come on and act. Your basic energy, the way you feel, is counter in some way to her values and ideals. She may act aloof. You may have a tendency to be a bull in a china shop when it comes to what she cares about.

Your Mars Square Her Venus (orb: 04 26')

There may be some hurt feelings on Sample's part because she feels unappreciated by you. You don't always give her the credit that she feels she is due. She may refuse to give you the kind of support and nurturing that you're looking for. You both tend to be at loggerheads over this.

Your Venus Opposition Her Moon (orb: 05 30')

The two of you feel a lot of attraction for each other, but often as not you end up at opposite ends of the couch. You may not appreciate her more aggressive nature or the way she acts. You may not like the way she makes you feel. She feels unappreciated.

Your Venus Opposition Her Mars (orb: 07 27')

The two of you may tend to get very emotional, and you could clash over many issues. She may feel that she doesn't get enough support from you, and that you are pushy and aggressive. You may not feel like pouring a lot of energy into her needs and demands.

You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Trine Neptune (orb: 01 15')

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Sextile Pluto (orb: 01 49')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Conjunction Uranus (orb: 02 32')

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 06 12')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Trine Jupiter (orb: 06 18')

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Trine Sun (orb: 06 37')

Challenges in your relationships

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

Mercury Square Uranus (orb: 00 37')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Square Mercury (orb: 03 09')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 03 31')

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

Venus Square Mars (orb: 03 37')

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

Challenges in your relationship with Sample

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.
